

MISSION STATEMENT, PURPOSE & ETHOS

The Island Project Farming & Education Centre-Company Number: 8052036

“We believe in creating the chances for a brighter future”

MISSION STATEMENT & PURPOSE

The purpose of the island Project is to offer a unique alternative FARM BASED educational service for children and young people who, because of their varying complex needs, cannot attend full time mainstream school OR are at risk at age16+ of being classified as NEET (Not in education, employment or training)

The Island Project currently offers placements to children and young adults Aged 8 – 19 years, (within a grouped age, of no more than 5 yrs. age difference)

Our Aim is to provide an innovative and comprehensive programme, which will incorporate skilled learning and practical development and Academic qualifications within a farming & agricultural setting.

We have high expectations of our service and of the staff who work with us, so we naturally expect positive outcomes and success for our students.

OUR ETHOS

We believe in unconditional regard for others. And strive to offer a person centred approach with the ability to “think out of the box” to find solutions that will enable our young people to achieve their full potential.

OUR COMPANY

The Island Project Farming & Education Centre was set up as a non-profit making partnership. All moneys received either through sales or gifts and grants will be used to run and develop the company. There is to be NO personal gain for either the company directors or its employees.
